Subject: Regarding implementing UTTARA software in MGNREGS MP offices.

We would like to implement UTTARA (Universal Transparent Tracking of Applications and Responses to Applications) software, which is a single unified system to handle the work load among all the offices under an organization. It is required that, UTTARA is to be implemented in MGNREGS MP Council to start with and later the same be expanded to Division, District, Block, Gram Panchayat level offices in Madhya Pradesh

So, NIC is requested to take necessary actions to get UTTARA software implemented at our MGNREGS Council and the other MGNREGS offices in Madhya Pradesh. For the above purpose, Ms. Preeti Tiwari, Assistant Manager (IT) will be the nodal officer from the council
