No. G-31011/4/2015-MGNREGA-V
Government of India
Ministry of Rural Development
Department of Rural Development

Krishi Bhawan, New Delhi
Dated 26th October 2015

To,

The Principal Secretary/Secretary/Commissioner
Rural Development/Panchayat Raj Department
(Incharge MGNREGA)
All States/UTs

Sub: "Planning for works and preparation of Labour Budget" under the Mahatma
Gandhi NREGA for the FY 2016-17- instructions for uploading of data in MIS.

Madam/Sir,

In continuation to this Ministry's letter of even number dated 23.10.2015, I am to say that the proforma for preparation of LB (both for IPPE and non IPPE blocks) in which it has to be submitted to the Ministry of Rural Development has been made available on MGNREGA MIS. A copy each of the proforma along with detailed instructions is enclosed.

2. It is once again reiterated that while uploading data in NREGA soft, it should be ensured that all columns and rows are duly filled in, especially, month-wise projection of labour demand during FY 2016-17. It also needs to be ensured that units [volume/ length/ area etc. in respect of works & numbers in cases of person days, costs etc.] are filled in correctly. LB is an important tool for the Ministry to assess the demand of the State/district in advance while releasing Central share of funds. To assess adequate and advance budget requirements for the MGNREGA and smooth and timely release of central share of funds to your State, GP-wise online entry should be completed for all the districts of your State.
3. In case, States experience any problem in uploading of data in MIS, the same may be shared with this Ministry immediately for remedial action.
4. You are, therefore, requested to submit LBs for FY 2016-17 online for each district of your State following the enclosed instructions latest by 31.12.2015.

This may be treated as **MOST URGENT**.

Yours faithfully,

(Aparajita Sarangi)
Joint Secretary (MGNREGA)

26/10/15

Encl: as above.

Copy to:

1. Sr. Technical Director, NIC-MoRD for appropriate action and also for uploading in NREGASoft (What's New & Circular-IPPE sections).
2. PPS to SRD for information.
3. PSO to AS (RD) for information.
