D.O. No. J-11011/45/2016-Media

28 March, 2016

Dear *Sh. Shivraj Singh Chauhan ji*

The Ministry of Panchayati Raj, in collaboration with the Ministry of Agriculture & Farmer's Welfare and Ministry of Social Justice & Empowerment, is facilitating the 'Gram Uday Se Bharat Uday Abhiyan' from 14th April 2016, which is Dr. B. R. Ambedkar's 125th Birth Anniversary to 24th April 2016, the Panchayati Raj Day. The aim of the Gram Uday Se Bharat Uday Abhiyan is to promote social harmony, strengthen Panchayati Raj, boost rural development and foster farmers' welfare.

During this period, between 14 and 16 April 2016, all Gram Panchayats are expected to hold a 'Social Harmony Programme', and celebrate Dr. Ambedkar's Birth Anniversary. Between 17 and 20 April 2016, Village Farmers' Assemblies will be held. Finally, between 21 and 24 April 2016, all Gram Panchayats may be requested to hold Gram Sabhas to discuss important issues and celebrate Panchayati Raj Day. On 24th April 2016, Hon'ble Prime Minister will address a gathering of Panchayat representatives at Jamshedpur, Jharkhand and his address will be beamed across to all Gram Sabhas. A brief outline of the programme is attached for your information.

This is an extremely important campaign and I would request you to lead it in your State and ensure people's participation in all the programmes. Special measures may be taken to ensure that Gram Sabhas are organised in all Gram Panchayats, and arrangements are made to enable people to hear the Prime Minister's address. I would request you to pay special attention to ensure that women, Scheduled Castes and Scheduled Tribes participate in this campaign and people discuss Gram Panchayat Development Plans. The Abhiyan may be given wide publicity through print, visual and social media.

A committee under the chairpersonship of the Chief Secretary with membership of all the relevant departments may be constituted to oversee the programme. A similar committee may be constituted under the chairpersonship of the District Collector in the district, and it may be ensured that functionaries of all development and social welfare departments attend the Gram Sabhas and support Gram Panchayats in every way. I would further request you to ensure that public representatives including MLAs, District and Block Panchayat Presidents and officials of your State attend Gram Sabhas.

I request your full cooperation in the programme, and look forward to your suggestions.
