To

The Principal Secretary/Secretary
(In-charge - Mahatma Gandhi NREGA)
Department of Rural Development/Panchayati Raj
All States /UTs

Madam/Sir,

Sub: Online Photo Portal for MGNREGA - FOCUS – Uploading of photographs of Sustainable Assets – Reg.

It has been decided to create an online repository of photographs of sustainable assets created under MGNREGA and enable it for public viewing through the MGNREGA website. In view of this, the Ministry has developed an online photo portal for the photographs of sustainable assets created under MGNREGA. It has been branded as **FOCUS**.

2. States can upload photographs of the sustainable assets created under MGNREGA on to FOCUS. These photographs will be available in public domain after being moderated at Ministry level. The portal is planned to be launched on 2nd Feb 2017, after uploading of minimum 10,000 photographs. Each State is therefore requested to upload a minimum of 600 photographs within a period of two months. The User Manual and Guidelines for FOCUS is attached herewith. Facility for uploading photographs are enabled at State and DPC data entry login.

3. Therefore, you are requested to make necessary arrangements to capture good quality photographs of each asset and start uploading those photographs on to FOCUS. As one photograph per work can be uploaded, kindly ensure that the best photographs of the assets are provided for public viewing.

4. The State IEC Nodal Officer of your State may be instructed to coordinate the activities. S/he may also remain as the point of contact with the Ministry for this assignment.

5. The expenditure for this may be met from the 6% administrative cost, and booked as an IEC activity.

Yours faithfully

Aparajita Sarangi
Joint Secretary (MGNREGA)
Ph: 011-23388207
5/6/16

Encl: as above

Copy to:

- 1) The Senior Technical Director (NIC) (Requesting to implement the technical part of the portal and submit periodical data on progress, and to upload this letter on MGNREGA website)
- 2) PPS to SRD / PPS to AS (RD) / PPS to JS (IEC) for kind information

FOCUS

The online photo portal of MGNREGA for sustainable assets

Guidelines and User Manual

Guidelines

- 1) States can upload photographs from their State login and DPC login
- 2) Good quality of photographs of sustainable assets need to be uploaded
- 3) This portal is intended for public viewing and hence the richness of the portal lies exclusively on the quality of the photographs uploaded.
- 4) **Technical Quality of Photographs:**

Camera: DSLR professional camera

Format: jpeg/jpg

Resolution of the photograph: not more than 300 KB (If the original photograph is more than 300 KB, please reduce its size using Windows Paint, a software available in all computers)

- 5) **Creative Quality**

Frame: Rather than having a plain frame of the assets, it would be better if the frame has some action integrated with the community using it. Or it can be associated with a story of communities using the assets. In such cases, names of the beneficiaries framed should also be provided in the appropriate space provided.

- 6) The portal will not allow to upload more than one photograph for the same Work Code.

User manual

A) Uploading of Photographs

Photographs of sustainable assets can be uploaded from the given option in DPC and State Data entry login.

1. Login from State data entry/DPC and after successful login, following screen will appear

- Click in the link "Upload Photographs" under FOCUS (Online Photo Portal)
